A MESSAGE FROM MICHAEL TO YOU

Dear Friend,

When Moses sent 12 Israelite leaders to spy out the promised land, 10 of them returned full of fear.

Only two men – Joshua and Caleb – returned full of faith, ready to go where God had called them. Firmly convinced that the Lord was with them, they said, “We should go up and take possession of the land, for we can certainly do it” (Numbers 13:30).

As I reflect on this powerful story, which the Lord impressed on my heart several years ago for African Enterprise, I remember His question of me asking, “Are you going to be one of the fearful 10? Or one of the faithful two?”

Friend, as we’ve continued since then to partner together in faith, we’ve seen that the Lord is indeed with us. He’s poured out His love over Africa through the gifts and prayers of generous friends like you where, through our unique stratified evangelism, we can impact all spheres of society in word and deed to transform lives that still wait to hear the Good News of Jesus and His love for them.

There’s still much to be done in Africa in our lifetime and beyond, but together we can certainly do it.

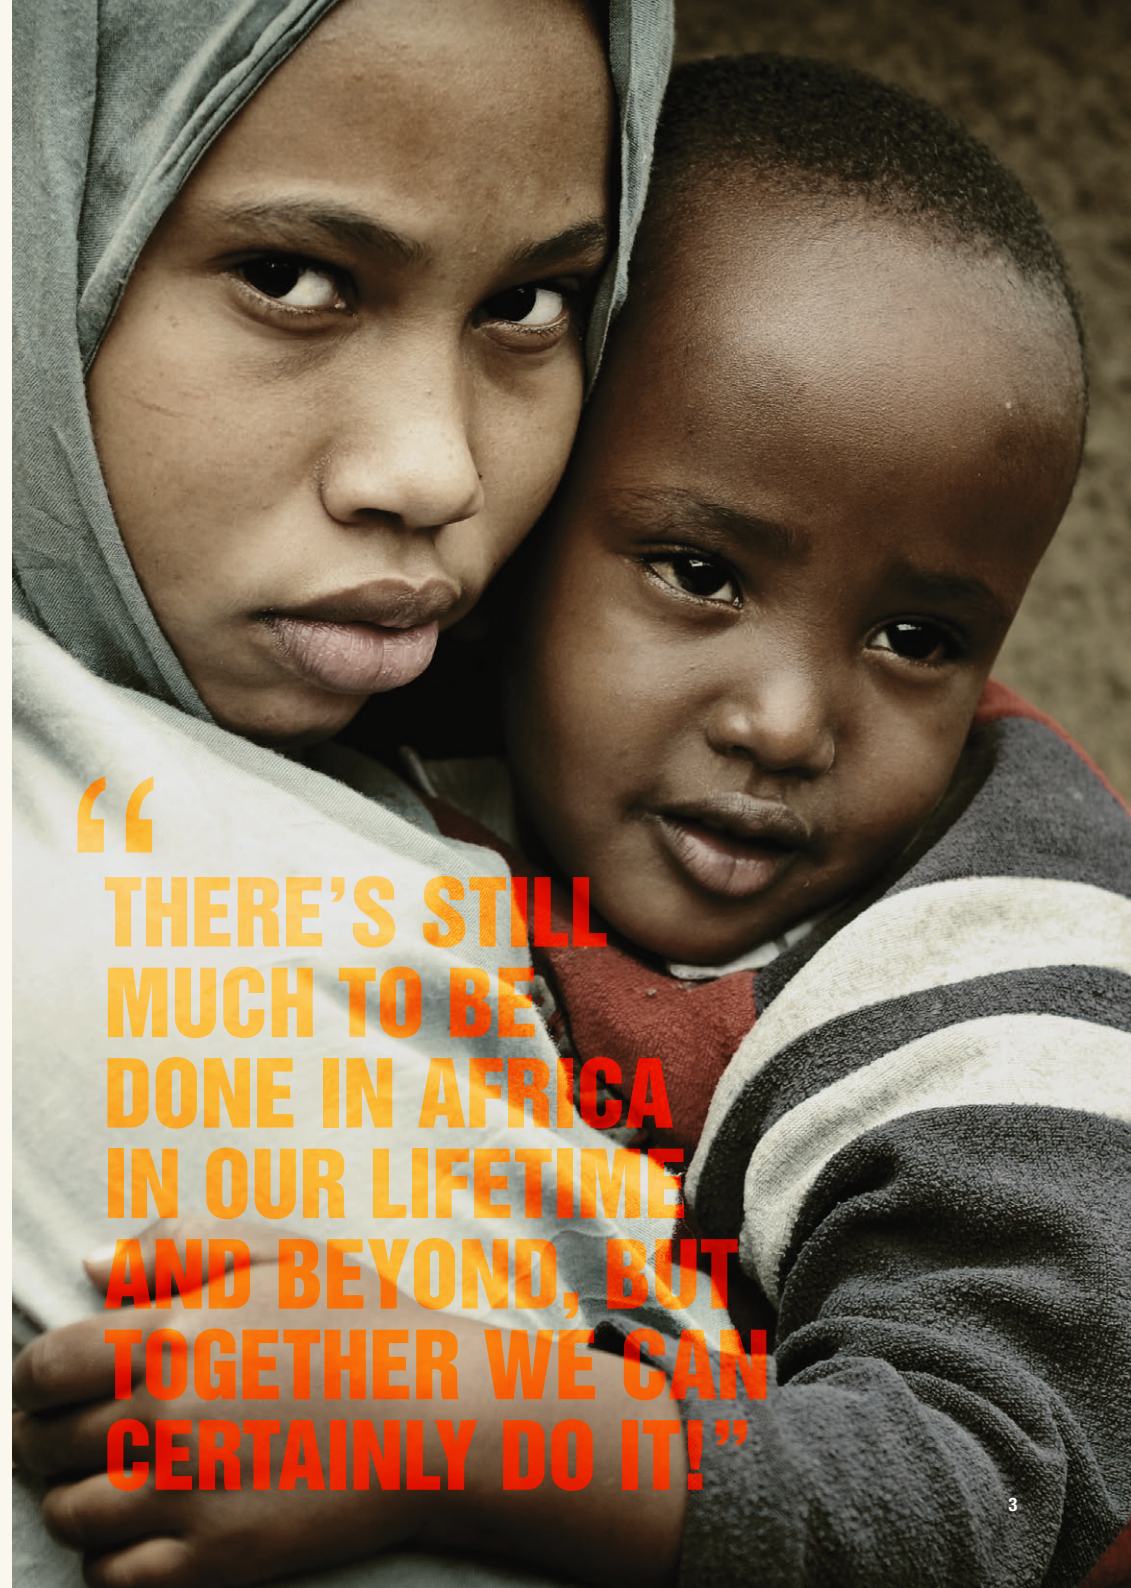

That’s why my wife, Carol, and I have had African Enterprise in our Will for a very long time, and have recently decided to increase our gift.

So I urge you to join us by including a generous gift to African Enterprise in your Will, so that what you’ve helped to build and sustain during your lifetime can continue to thrive.

May the Lord bless you and guide your thinking and decisions as you pray about this very sincere request from my heart to yours!

HOW YOUR LEGACY OF LOVE WILL MAKE AN IMPACT

**WHATEVER GIFT YOU DECIDE TO INCLUDE IN YOUR WILL,
IT WILL HAVE ETERNAL REWARDS.**

Your legacy of love will help ensure that the Gospel continues to go out across Africa through our unique strategy of stratified evangelism – reaching spiritually hungry people at every level of society.

Your legacy of love will help ensure that lives will be transformed by Jesus in word (evangelism) and deed (aid and community development).

Your legacy of love will help ensure that the Church in Africa will be equipped to share the Gospel and grow disciples to transform families and communities.

Any gift you choose to give will be greatly appreciated and will help transform lives.

For example:

- A gift of \$20,000 can provide a theological training course to 15 pastors.
- A generous gift of \$120,000 could largely fund four national missions with the potential to save approximately 50,000 lives for Jesus.

No matter what size your gift, your legacy of love will help bring real, holistic, lasting transformation to Africa.

TOGETHER WE CAN

YOUR GIFT CAN HELP TRANSFORM LIVES THROUGH...

EVANGELISM

An inmate named Christine says, "I entered this prison a bitter person, full of hatred and unforgiveness, but now I feel like the bitterness and hatred have been melted away." As a result of AE's evangelistic Mbale Mission in Uganda, Christine says, "I feel like a brand-new person. God has transformed my life in prison."

COMMUNITY DEVELOPMENT

Feeling unloved and unwanted, Eva says, "I was living a tough life" – until her pastor referred her to an African Enterprise vocational school to learn tailoring skills.

The school is part of AE's Vulnerable Women Project, which partners with local churches to recruit at-risk women and train them in valuable, marketable skills while sharing the Gospel with them.

"Here, I feel revived as we encourage one another," says Eva. "I have learnt how to run a sewing machine – which I never dreamt of before! Spiritually, my life is being encouraged as we devote our morning and evening times to prayers and devotions here at the learning centre."

Eva is so thankful and says, "It's my prayer that African Enterprise should continue empowering vulnerable women like me."

EQUIPPING THE CHURCH

John Kalenzi, AE's Team Leader in Rwanda, says: "AE's training has made a remarkable difference in expansion of the kingdom of God in Rwanda... especially because resourceful persons died and others fled during the 1994 war and genocide. Some of those who stood in the gap did not have any formal theological training, so the training that they have now received has made a huge difference in their understanding of the Word of God and in the ministry work that they do."

WHY INCLUDE AFRICAN ENTERPRISE IN YOUR WILL?

Jeff Collett, Chairman of African Enterprise Australia, shares why he has decided to include African Enterprise in his Will.

JEFF, WHY HAVE YOU INCLUDED A GIFT FOR AFRICAN ENTERPRISE IN YOUR WILL?

"I'm passionate about evangelism and discipleship, and I know our stratified evangelism work helps achieve this. There's an urgency to share the Gospel in Africa. If I'm not contributing, there are people not hearing of God's love and not being saved. I know the value of the work that African Enterprise does – it's a great investment in the kingdom. God has provided me a place in His kingdom and everything I have is His. It's about me using what He's given me to do His work."

WHAT IMPACT DO YOU EXPECT YOUR BEQUEST TO HAVE?

"I have absolute confidence that AE will use my bequest wisely to proclaim the Gospel to those who have not heard, and to disciple those who accept Christ as their personal Saviour."

WHY WOULD YOU ENCOURAGE OTHERS TO INCLUDE AE IN THEIR WILL?

"The work of evangelism in Africa is critically important in the next couple of decades. There's been such a huge response by the African people to the Gospel, and African revival is desperately in need of support. While we can give on a monthly/annual basis now, we have to lock in that last opportunity to contribute to this vital ministry."
